JL 100 on Red is a sure bet that will pay off huge dividends. Her pedigree reads like Loomis Ranch Royalty. Her sire is a son of the Legend Rebel HR and BL Swahili one of the best-producing females Bob has ever raised. Swahili is a full sister to Bwana Chex who has been a huge contender at Futurities with his offspring. We have her exposed to JL Black Diamonds, whom is adding in JH Rural Safari Son, Working Woman, and so much more.
